Fish Baked in Parchment with Vegetables

The fish cooks in its own steam inside the paper, coming out incredibly tender — and you open the packet at the table, hot and fragrant.

**30 min**

PREP

1 serving

MAKES

~380

BASE CAL

INGREDIENTS (BASE SERVING)

- 1 white fish fillet (whiting, hake or tilapia, about 5 oz)
- ½ zucchini, thinly sliced
- ½ carrot, in thin strips
- cherry tomatoes, cut
- 1 clove of garlic, sliced
- 1 teaspoon olive oil
- juice of ½ lemon
- salt, pepper and herbs (thyme or oregano) to taste
- 1 large sheet of parchment paper

HOW TO MAKE IT

- 1 Turn the oven to medium-high heat (400°F). Cut the zucchini and carrot into thin slices, so they cook in the same time as the fish.
- 2 In the center of a large sheet of parchment, make a bed with the vegetables. Season with a little salt, pepper and half the olive oil.
- 3 Place the fish fillet on top. Season with salt, pepper, the garlic, the herbs, the lemon juice and the rest of the olive oil.
- 4 Close the paper like a parcel: bring the ends together and fold the edges well, leaving an air space inside, to form a sealed packet.
- 5 Bake for 18 to 20 minutes. Open carefully (hot steam escapes) and serve in the paper or move to a plate.

Turkey Meatballs with Zucchini in Sauce

Light turkey meatballs swimming in a fresh tomato sauce, over zucchini ribbons — the pasta that does not weigh on the scale.

**35 min**

PREP

2 servings

MAKES

BASE CAL

INGREDIENTS (BASE SERVING)

- 9 oz ground turkey breast (or ground chicken)
- 1 egg
- 2 tablespoons oats
- 2 large zucchini
- 3 ripe tomatoes, chopped (or tomato sauce)
- 1 onion, chopped
- 2 cloves of garlic, chopped
- 1 teaspoon olive oil
- salt, pepper and basil to taste

HOW TO MAKE IT

- 1 In a bowl, mix the ground turkey, the egg, the oats, half the garlic, salt and pepper. Knead with your hands and roll walnut-sized balls.
- 2 Heat the olive oil in a wide pot and brown the meatballs on all sides, turning carefully, for 5 minutes. Remove and set aside.
- 3 In the same pot, fry the onion and the rest of the garlic for 2 minutes. Add the chopped tomatoes, salt and pepper and cook for 10 minutes, until it becomes a sauce.
- 4 Return the meatballs to the sauce and cook for 8 more minutes, until cooked through.
- 5 With a vegetable peeler, make thin ribbons of the zucchini (like noodles). Put the raw ribbons on the plate and pour the hot meatballs with sauce on top — the heat softens the zucchini. Sprinkle basil.

Pot Roast Beef with Vegetables

A piece of beef that cooks slowly until it falls apart, with vegetables soaked in the broth — the Sunday dinner, in the right amount.

**1 h 20 min**

PREP

3 servings

MAKES

~440

BASE CAL

INGREDIENTS (BASE SERVING)

- 14 oz lean beef roast (shank, eye of round or bottom round)
- 2 carrots, in large pieces
- 2 potatoes, in large pieces
- 1 onion, in wedges
- 2 cloves of garlic
- 1 tomato, chopped
- 1 bay leaf
- 1 teaspoon olive oil
- salt, pepper and rosemary to taste

HOW TO MAKE IT

- 1 Season the beef with salt and pepper. In a deep pot, heat the olive oil and brown the beef on all sides, turning, for about 6 minutes (this browning gives lots of flavor to the broth).
- 2 Add the onion, garlic and tomato and fry for 2 minutes. Add the bay leaf and hot water until it covers half the beef.
- 3 Cover and cook over low heat for 50 minutes, turning the beef halfway. If the water dries too much, add a bit more hot water.
- 4 Add the carrots and potatoes and cook for 25 more minutes, until the beef is so tender it falls apart and the vegetables are cooked.
- 5 Remove the bay leaf. Slice or shred the beef and serve with the vegetables and the broth on top.

**25 min**

PREP

2 servings

MAKES

BASE CAL

INGREDIENTS (BASE SERVING)

- 4 eggs
- 1 cooked and shredded chicken breast fillet (about 4 oz)

- 2 Add the chopped tomatoes, the paprika, salt and pepper and cook for 8 minutes, until it becomes a hearty sauce. Add the shredded chicken and mix.

- 5 Sprinkle fresh herbs and serve in the pan, with slices of whole-grain bread on the side.
