Fish Baked in Parchment with Vegetables

The fish cooks in its own steam inside the paper, coming out incredibly tender — and you open the parcel at the table, warm and fragrant.

30 min
TIME

MAKES

BASE KCAL

INGREDIENTS (BASE SERVING)

- 1 white fish fillet (whiting, hake or tilapia, about 5 oz)
- 1/2 zucchini in thin rounds
- 1/2 carrot in thin strips
- cherry tomatoes, cut
- 1 clove of garlic, sliced

- juice of 1/2 lemon
- salt, pepper and herbs (thyme or oregano) to taste
- 1 large sheet of parchment paper

HOW TO MAKE IT

- 1 Turn the oven to medium-high heat (400 °F). Cut the zucchini and the carrot into thin slices, so they cook in the same time as the fish.
- 2 In the center of a large sheet of parchment paper, make a bed with the vegetables. Season with a little salt, pepper and half of the olive oil.
- 3 Put the fish fillet on top. Season with salt, pepper, the garlic, the herbs, the lemon juice and the rest of the olive oil.
- 4 Close the paper like a parcel: bring the ends together and fold the edges well, leaving some air space inside, to make a sealed packet.
- 5 Bake for 18 to 20 minutes. Open it carefully (hot steam comes out) and serve it in the paper or move it to a plate.

Turkey Meatballs with Zucchini in Sauce

Light turkey meatballs swimming in a fresh tomato sauce, over zucchini ribbons — the pasta that does not weigh on the scale.

**35 min**

TIME

2 servings

MAKES

~380

BASE KCAL

INGREDIENTS (BASE SERVING)

- 9 oz ground turkey breast (or ground chicken)
- 1 egg
- 2 tbsp oats
- 2 large zucchini
- 3 ripe tomatoes, chopped (or tomato sauce)
- 1 onion, chopped
- 2 cloves of garlic, chopped
- 1 tsp olive oil
- salt, pepper and basil to taste

HOW TO MAKE IT

- 1 In a bowl, mix the ground turkey, the egg, the oats, half of the garlic, salt and pepper. Knead it with your hands and roll balls the size of a walnut.
- 2 Heat the olive oil in a wide pot and brown the meatballs on all sides, turning them carefully, for 5 minutes. Take them out and set them aside.
- 3 In the same pot, fry the onion and the rest of the garlic for 2 minutes. Add the chopped tomatoes, salt and pepper and cook for 10 minutes, until it turns into a sauce.
- 4 Put the meatballs back into the sauce and cook for another 8 minutes, until they are done inside.
- 5 With a vegetable peeler, make thin ribbons of zucchini (like noodles). Put the raw ribbons on the plate and pour the hot meatballs with the sauce over them — the heat softens the zucchini. Sprinkle basil.

**1 h 20 min**

TIME

3 servings

MAKES

~440

BASE KCAL

INGREDIENTS (BASE SERVING)

- 14 oz lean beef in one piece (shank, eye of round or bottom round)
- 2 carrots in large pieces
- 2 potatoes in large pieces
- 1 onion in wedges
- 2 cloves of garlic
- 1 tomato, chopped

- 1 tsp olive oil
- salt, pepper and rosemary to taste

- 2 Add the onion, the garlic and the tomato and fry for 2 minutes. Add the bay leaf and hot water until it covers half of the beef.
- 3 Cover it and cook over low heat for 50 minutes, turning the beef halfway through. If the water dries up too much, add a little more hot water.
- 4 Add the carrots and the potatoes and cook for another 25 minutes, until the beef is so tender it falls apart and the vegetables are done.
- 5 Take out the bay leaf. Slice or shred the beef and serve with the vegetables and the broth on top.

- salt, pepper and mustard to taste

HOW TO MAKE IT

- 1 Cook the potato cubes in boiling salted water for 12 minutes, until they are soft. Drain them. If you want them browned, sauté them for 3 minutes in a pan with a few drops of olive oil.
- 2 Cook the eggs for 9 minutes, run them under cold water, peel them and cut them in half.
- 3 Season the chicken with salt and pepper and grill it in a nonstick pan for 4 to 5 minutes on each side, until it is golden. Cut it into strips.
- 4 In a bowl or on a plate, make a bed of green leaves and put the cherry tomatoes and the onion on it.
- 5 Arrange on top the warm potato, the chicken strips and the eggs. Make a dressing by mixing the olive oil, the lemon juice, the mustard, salt and pepper, drizzle it and serve right away.

WHY THIS HELPS YOU LOSE WEIGHT

It is a salad that fills you up like a hot meal: the chicken and the egg give double protein, the potato in the right measure brings energy and the leaves fill the plate with fiber. Served warm, it is comforting and light at the same time — ideal for dinner.
